1 Java virtual machine support for object serialization

Fabian Breg, Constantine D. Polychronopoulos

June 2001 JGI '01: Proceedings of the 2001 joint ACM-ISCOPE conference on Java Grande

Publisher: ACM

Full text available: [pdf\(617.30 KB\)](#)Additional Information: [full citation](#), [abstract](#),
[references](#), [cited by](#), [index terms](#)

Distributed computing has become increasingly popular in the high performance community. Java's Remote Method Invocation (RMI) provides a simple, yet powerful method for implementing parallel algorithms. The performance of RMI has been less than adequate, ...
